

ARRANGEMENT:

The arrangement follows the bookdealer's list, slightly modified by Claus.

Sections 1-78 and 84 contain letters and postcards, arranged in rough alphabetical order by correspondent; a few MS articles, etc, also occur in these sections. Photos appear on some postcards (see Claus 68-69), and some separate photos occur, as do some printed announcements. The material in these sections is described by Claus on pp 19-67, in a slightly different alphabetical order.

Call for items or groups by using the numbers in Claus, in the form "MS 2:1:1".
